## CONSTITUTION

## I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

## II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

## III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the day preceding Commencement Day.

## IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

## V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

## VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni Trustee, containing the name, class, residence, vocation and fact (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustee at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final an-

nouncement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—“He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustee for action.”

## VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

## VIII. ADVISORY COUNCIL

1. There shall be an Advisory Council of the Society. Each Alumni Association and Williams Club in the United States now or hereafter organized shall be entitled to elect annually one member of said Council who shall hold office from the College Commencement succeeding his election until the next Commencement and until his successor is elected and accepts such election. Any member may resign by filing his resignation with the Secretary of the Association or Club that he represents. Any vacancy in the office of a member so elected may be filled in such manner as may be determined by the Association or Club represented by such member. The President, Vice-President, and Secretary of this Society shall be ex-officio members of said Council. The Council shall hold an annual meeting in Williamstown on the Monday preceding Commencement at an hour and place to be fixed by the Secretary of this Society, and shall, by one of its members, make a report to the Society at its annual meeting. Five members shall constitute a quorum of said Council. The Council shall choose from its members a chairman and such other officers as to it may

seem wise who shall hold office for one year and until their successors are chosen and accept, but each officer shall cease to be such upon the termination of his membership in the Council. Officers shall be elected for the ensuing year by those who shall have been elected members for such year immediately after the Annual Meeting of the Council and at the place of such meeting. The Council shall hold such other meetings in such places as to it may seem proper to be called in such manner as it may prescribe in its rules. The Council may adopt such rules for the regulation of its business as to it may seem proper. Any member of the Council (except the ex-officio members) if unable to attend any meeting may appoint any graduate of the College his proxy at such meeting and such proxy shall act in the place of such member at such meeting with the same force and effect as if said absent member were present.

2. Said Council shall in its annual report suggest such recommendations as it thinks should be made to the proper college authorities regarding matters connected with the College; it shall perform through members appointed for that purpose, so far as it seems wise, the services heretofore rendered by Alumni Visitors; it shall act as an accredited medium of communication between the College authorities and the Alumni Associations or Williams Club in all cases where the co-operation of such Associations and Clubs with such authorities may be deemed advisable, and it shall convey to the proper college authorities any suggestions emanating from such Associations and Clubs which such Council may deem proper. The words "College authorities" as used in this article shall mean the College Faculty or the College Board of Trustees as may be proper in any particular case.

3. Each Alumni Association and Williams Club shall immediately notify the Secretary of this Society of the members chosen from time to time to represent such Association or Club in said Council.

## IX. ALUMNI TRUSTEES

At each annual meeting a committee of five members to be known as the Committee on Alumni Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the election of Alumni Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

## GRADUATES AND SOMETIME MEMBERS

---

Each year every *graduate* is requested to give his address, and vote for a Trustee of the College (Constitution, Article VI). About half of them respond.

If any man finds his address given incorrectly, let him remember that at his last change of residence a *postal card* to the Secretary of the Alumni would have prevented mistake.

## I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

## II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

## III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the day preceding Commencement Day.

## IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

## V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

## VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni Trustee, containing the name, class, residence, vocation and fact (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustees at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final an-

nouncement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—“He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustees for action.”

## VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

## VIII. ADVISORY COUNCIL

1. There shall be an Advisory Council of the Society. Each Alumni Association and Williams Club in the United States now or hereafter organized shall be entitled to elect annually one member of said Council who shall hold office from the College Commencement succeeding his election until the next Commencement and until his successor is elected and accepts such election. Any member may resign by filing his resignation with the Secretary of the Association or Club that he represents. Any vacancy in the office of a member so elected may be filled in such manner as may be determined by the Association or Club represented by such member. The President, Vice-President, and Secretary of this Society shall be ex-officio members of said Council. The Council shall hold an annual meeting in Williamstown on the Monday preceding Commencement at an hour and place to be fixed by the Secretary of this Society, and shall, by one of its members, make a report to the Society at its annual meeting. Five members shall constitute a quorum of said Council. The Council shall choose from its members a chairman and such other officers as to it may

seem wise who shall hold office for one year and until their successors are chosen and accept, but each officer shall cease to be such upon the termination of his membership in the Council. Officers shall be elected for the ensuing year by those who shall have been elected members for such year immediately after the Annual Meeting of the Council and at the place of such meeting. The Council shall hold such other meetings in such places as to it may seem proper to be called in such manner as it may prescribe in its rules. The Council may adopt such rules for the regulation of its business as to it may seem proper. Any member of the Council (except the ex-officio members) if unable to attend any meeting may appoint any graduate of the College his proxy at such meeting and such proxy shall act in the place of such member at such meeting with the same force and effect as if said absent member were present.

2. Said Council shall in its annual report suggest such recommendations as it thinks should be made to the proper college authorities regarding matters connected with the College; it shall perform through members appointed for that purpose, so far as it seems wise, the services heretofore rendered by Alumni Visitors; it shall act as an accredited medium of communication between the College authorities and the Alumni Associations or Williams Club in all cases where the co-operation of such Associations and Clubs with such authorities may be deemed advisable, and it shall convey to the proper college authorities any suggestions emanating from such Associations and Clubs which such Council may deem proper. The words "College authorities" as used in this article shall mean the College Faculty or the College Board of Trustees as may be proper in any particular case.

3. Each Alumni Association and Williams Club shall immediately notify the Secretary of this Society of the members chosen from time to time to represent such Association or Club in said Council.

## IX. ALUMNI TRUSTEES

At each annual meeting a committee of five members to be known as the Committee on Alumni Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the election of Alumni Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

## GRADUATES AND SOMETIME MEMBERS

---

Each year every *graduate* is requested to give his address, and vote for a Trustee of the College (Constitution, Article VI). About half of them respond.

If any man finds his address given incorrectly, let him remember that at his last change of residence a *postal card* to the Secretary of the Alumni would have prevented mistake.

# CONSTITUTION

---

## I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

## II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

## III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the Saturday preceding Commencement Day.

## IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

## V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

## VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni Trustee, containing the name, class, residence, vocation and fact (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustees at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall

be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final announcement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—“He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustees for action.”

## VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

## VIII. ADVISORY COUNCIL

1. There shall be an Advisory Council of the Society. Each Alumni Association and Williams Club in the United States now or hereafter organized shall be entitled to elect annually one member of said Council who shall hold office from the College Commencement succeeding his election until the next Commencement and until his successor is elected and accepts such election. Any member may resign by filing his resignation with the Secretary of the Association or Club that he represents. Any vacancy in the office of a member so elected may be filled in such manner as may be determined by the Association or Club represented by such member. The President, Vice-President, and Secretary of this Society shall be ex-officio members of said Council. The Council shall hold an annual meeting in Williamstown on the Friday pre-

ceding Commencement at an hour and place to be fixed by the Secretary of this Society, and shall, by one of its members, make a report to the Society at its annual meeting. Five members shall constitute a quorum of said Council. The Council shall choose from its members a chairman and such other officers as to it may seem wise who shall hold office for one year and until their successors are chosen and accept, but each officer shall cease to be such upon the termination of his membership in the Council. Officers shall be elected for the ensuing year by those who shall have been elected members for such year immediately after the Annual Meeting of the Council and at the place of such meeting. The Council shall hold such other meetings in such places as to it may seem proper to be called in such manner as it may prescribe in its rules. The Council may adopt such rules for the regulation of its business as to it may seem proper. Any member of the Council (except the ex-officio members) if unable to attend any meeting may appoint any graduate of the College his proxy at such meeting and such proxy shall act in the place of such member at such meeting with the same force and effect as if said absent member were present.

2. Said Council shall in its annual report suggest such recommendations as it thinks should be made to the proper college authorities regarding matters connected with the College; it shall perform through members appointed for that purpose, so far as it seems wise, the services heretofore rendered by Alumni Visitors; it shall act as an accredited medium of communication between the College authorities and the Alumni Associations or Williams Club in all cases where the co-operation of such Associations and Clubs with such authorities may be deemed advisable, and it shall convey to the proper college authorities any suggestions emanating from such Associations and Clubs which such Council may deem proper. The words "College authorities" as used in this article shall mean the College Faculty or the College Board of Trustees as may be proper in any particular case.

3. Each Alumni Association and Williams Club shall immediately notify the Secretary of this Society of the members chosen from time to time to represent such Association or Club in said Council.

## IX. ALUMNI TRUSTEES

At each annual meeting a committee of five members to be known as the Committee on Alumni Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the

election of Alumni Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

## WILLIAMS UNIT

RESERVE OFFICERS TRAINING CORPS

WILLIAMSTOWN, MASS., August 25, 1917.

From: THE SUPERINTENDENT, WILLIAMS UNIT, R. O. T. C.

To: THE PRESIDENT, WILLIAMS COLLEGE.

Subject: REPORT ON SUMMER ENCAMPMENT.

The camp of the Williams Unit, R. O. T. C., opened June 28 with an attendance of 260 cadets. It closed August 25. For purpose of instruction and control the corps was organized as an infantry battalion of four companies. Companies A and B occupied Williams Hall. C and D occupied Morgan Hall. The College Commons was used as a battalion mess.

17. Professor Morton of Williams College delivered one lecture on the Soldier as a Historical Type.

I was fortunate in having the assistance of a fine lot of instructors. They were men of dignity, composure, correct deportment, were interested in the work, had faith in themselves, and were willing to accept responsibility. Their personality and ability to instruct made discipline easy. Cadets fell into the habit of obeying easily and naturally, because the superior capacity of the officers called into and kept in play the instinct of

subordination. The officers created an atmosphere, throbbing with military zeal, and suggesting ideals of duty, love of service, and efforts for high attainments. The presence of Mr. Miller and Mr. Coogan of the furlough class of the United States Military Academy was fortunate. They unconsciously served as models for imitation, and furnished an example of what military training can do in the way of turning out young men with fine bodies adorned with the graces which should distinguish the profession of arms.

### INSTRUCTION

The program for each week day in barracks included six full hours of instruction or drill with intervals of fifteen minutes between periods, and one and one-half hours at noon. There was in addition an evening session between 7.30 and 9.30 (call to quarters) devoted to theoretical instruction. Reveille and meal formations, inspections of quarters, parades, and inspections in ranks were outside these periods. The battalion marched to and from mess. The fifteen minutes' rests between periods were omitted on days devoted to field training and target practice. After Saturday noon, all drills and ceremonies except Church Parade were suspended until Monday morning. It was intended to keep the cadets busy from 6 A. M. to 9.30 P. M. They were required to be in bed at 10 P. M.

The curriculum embraced every subject of instruction enumerated in U. S. Adjutant General Order No. 49, series 1916, except International Law, the International Policy of the United States, and Strategy. Owing to the lack of time something had to be omitted, and these subjects were thought to be of the least value in the training of company officers. Some subjects were necessarily taught more fully than others. Prominence was given the exercises intended to promote physical development and a military bearing. There was a marked improvement in the carriage of cadets and a progressive hardening of their physique. During the week of the intense heat, which occurred early in August, it was not necessary to curtail the curriculum by omitting a single period of intensive training. There were no heat

prostrations. The rules of military deportment and address were rigidly enforced. The Infantry Drill Regulations up to and including the School of the Battalion was taught with great care. The close and extended order work were most creditable exhibitions of well executed drill. The course in musketry included the care and nomenclature of the rifle, sighting, position, and aiming drills, deflection and elevation corrections, description and distribution of the target, the principles of fire discipline, and practice at two hundred and three hundred yards. Field Service Regulations, including information, security, minor tactics, and the composition of orders were taught by the applicatory method. Map problems were worked out in the class room and later exemplified in field exercises. Most cadets acquired a limited proficiency in receiving and transmitting semaphore signals. The bayonet drill as prescribed in Drill Regulations was taught, as well as the new system of bayonet fighting now practiced at the Military Academy. Instruction in interior guard was given by recitation and practice. A course of lectures dealt with military correspondence and the preparation and endorsement of all papers which originate in or come to a company. Lectures dealt with military hygiene and first aid. Every cadet learned something of topography from lectures and spent some six hours in road work. This instruction was unsatisfactory owing to the limited time which could be allotted to it. A short but instructive course of lectures on Military History was given by Professor R. M. Johnston of Harvard.

Owing to the present phase of fighting on the western front and interest in the same, Warfare of Positions received considerable attention. The lectures given by Lieut. Colonel Paul Azan to the Harvard Unit, R. O. T. C. were practically repeated by Mr. Nelson, who was a student under Colonel Azan. This lecture course was followed by the construction of a system of miniature trenches on a scale of two inches to the foot. The work in this model was executed with great attention to details. Miniature gabions, fascines, and hurdles were made from small brush. Bull Durham tobacco sacks did duty for sand bags. Tack hammers, trowels, string, cigar boxes, and laths were substituted for sledges,

picks, shovels, wire, lumber and heavy timber. Great care was taken to reproduce in form the details of trench construction. At a later period three lines of real trenches with connecting boyaux were dug, and the cadets practiced in attack and defense of trenches. In this connection real bombs were made and thrown. This course of trench making and fighting was supplemented by lectures and periods of theoretical instruction. Each company did a tour of twenty-four hours in the trenches. The following topics on trench warfare were treated in the lecture room and were exemplified by field exercises:

1. Outline and profile of trenches and boyaux.
2. The trench—preparation and equipment.
3. Accessory defenses.
4. Drainage.
5. System of sanitation.
6. Shelters and dug-outs.
7. Grenade throwing and making.
8. Trench duties and routine.
9. Lewis automatic rifle and machine guns.
10. The artillery barrage.
11. Various means of advance.
12. Emplacements and flanking fire.
13. Trench cleaning up.
14. Fighting in trenches and boyaux.
15. Preparation of attack.
16. Preparation of defense.
17. Use of artillery in present war.
18. Counter attack and combat inside position.
19. Night fighting.
20. Rests and billeting.

#### DISCIPLINE

The disciplinary methods used were those of the United States Military Academy. A department record of each cadet was kept in which was entered all demerits. A list of some hundreds of negligent acts, likely to be committed by cadets, was composed and published. These acts were classified, and to each was as-

signed a number of demerits, intended to represent the degree of culpability involved in the special act of carelessness described. Tactical and Cadet Officers were enjoined to exercise vigilance in detecting and reporting every infraction of this code. A list of all infractions reported was kept at the Adjutant's Office, and was read to the cadets daily at the Commons. It was intended by this procedure to record every act of carelessness, and call it to the attention of the actor. This record clearly indicated to each cadet the faults he was commonly committing. Tardiness, inattention, slouching, lack of promptness, exactness, neatness, and order were the kind of things usually noted. The only moral delinquency called to my attention was one case of intentional falsehood. The record of one cadet justified the conclusion that he was indifferent to military duties. He was dismissed. The good order preserved during the encampment was remarkable. There was a notable absence of any tendency to prank playing, which is supposed to be typical of college boys. A spirit of manly earnestness, willingness, and attention to duties characterized the work of the corps.

At the beginning of the camp I spent many evenings with the assembled cadets talking on some subjects germane to military discipline. I found in the cadets great enthusiasm which needed organization and direction. It was my purpose in these lectures to present a picture of a well rounded military character, and to illustrate how an officer should look, feel, think and act in all military situations. At the same time, I attempted to arouse an interest in correct types, and instil the desire to make these types models for imitation. I continued this work until I felt that each cadet had some vision of an ideal, and was anxious for the struggle to reproduce in himself some sort of a masterpiece. I tried to conduct a dignified revival. By this method the initial enthusiasm was organized. During the whole encampment this was a driving force and a stimulant to both students and instructors. At no time during the encampment was I conscious that there was any abatement of zeal. From the beginning the work was taken up with spirit and the training was intensive. There was no let up and nothing marred this dominating characteristic of the camp.

## UNITED STATES INSPECTION

On August 14 and 15 the battalion was inspected by Lieut. Col. George D. Moore, U. S. A., Inspector General of the Northeastern Department. A report of this inspection is on file with the Secretary of War. I suggest that the Secretary be asked to furnish a copy to the College with permission to publish.

## RECORDS

The following records were kept at the office of the Adjutant and have been turned over to the College Treasurer:

1. Military diary.
2. Daily program sheets.
3. Morning reports.
4. Sick reports.
5. Deportment record of each cadet.
6. Rifle scores.
7. Correspondent files, showing every letter received and copies of every letter and endorsement sent.

## WILLIAMS COLLEGE AS A LOCATION FOR A TRAINING UNIT

Williamstown is especially adapted for an encampment of young men. The social surroundings are clean and wholesome, the water supply excellent, the air is clear, dry and invigorating, and the soil free from contamination. The sick rate among cadets was low. There was no history of alimentary troubles common in camp life. The College Infirmary is well appointed and with its excellent staff can easily care for all emergency cases.

I think the instructors on duty at Williams were conscious of a military spirit which was typical of the founder and is expressed in the legend on the college seal. Words like *veritas* and *lux* stand for great ideas, but there is no life in ideas, however great, until they are lived and find expression in personality. "E Liberalitate Armigeri" suggests men who won and defended something by action. In the present crisis Ephraim Williams and his life grip the heart of youth in a passion to expend strength with the liberality of a soldier. The spirit of Williams College is militant.

## RECOMMENDATIONS

*I. Summer Encampment*

If it is intended to hold encampments in the future I make the following suggestions in reference thereto.

1. Secure enough competent officers to insure one instructor for every twenty-five or thirty men. It is the close personal contact between teacher and student that counts in the formation of correct habits. The story of Mark Hopkins and a student on a log is familiar, and expresses the desirable situation to be created. We are apt to lose sight of the fact that an officer is a schoolmaster most of the time, engaged in developing the finest qualities of mind, heart and body.

2. Banish from the dormitories all paraphernalia of ease and comfort. A cot, one chair, a table, and a closet are enough equipments for a soldier.

3. Prohibit the use of automobiles, horses, or superior equipments. All cadets should live on a plane of equality.

4. Require students electing the summer course to pledge attendance to the end of the period, unless sooner discharged by College authority for reason.

5. Fill in Saturday afternoons and Sundays with an authorized program. Permits to leave camp interfere with intensive training. Absence from a course in habit formation unwinds in a short time much of what has been wound up with labor, and which would stay wound up, but for a change of scene and habits.

6. A week or ten days near the close of the course should be spent in a practice march and the solution of tactical problems. The following additional equipments should be furnished to each cadet to make this possible:

Haversack	Blanket
Meat can	Rain coat
Knife, fork and spoon	Shelter tent half, poles and pins
Tin cup	Straps to make collar roll

As all cadets will not be sufficiently developed in heart and lungs to carry a heavy pack, extra transportation should be furnished for this purpose. Competent military cooks and proper

kitchen equipment should be acquired and a supply system organized with suitable transportation. It will be necessary to acquire equipment well in advance to insure the smooth working of a practice march.

## *II. Winter Program*

During the academic year it will be impossible to comply with the requirements of U. S. A. G. O. No. 49, series 1916, and carry on the usual college courses. The summer encampment is the natural period for intensive instruction and outdoor practice. If the summer work can be supplemented with winter instruction in some military subjects which can be better handled in the class room, and the whole year counted as one period, the work prescribed in U. S. A. G. O. No. 49, series 1916, can be accomplished. I am advised that a plan was approved last spring allowing three-and five-hour periods per week for military instruction during the academic year. The three hours allotted to the junior subdivision was divided, two hours practical and one hour theoretical work. The five hours allotted to the senior subdivision was divided, two hours practical and three hours theoretical work. Bearing in mind that some such subdivision will be approved, I suggest the following subjects, the teaching of which will interfere the least with and may enrich the academic course.

1. Physical training for all classes with a view to develop health and strength, and especially as a means to inculcate attention and form habits of prompt, accurate and precise obedience. Special pains taken to use this kind of drill for its disciplinary value. The College Physical Director should visit West Point and study the way in which Major Koehler develops discipline in his physical courses.

2. Musketry Instruction. Theoretical, followed by target practice at the range. Range work to be outside prescribed periods and encouraged as a sport.

3. Instruction in military correspondence and practice in handling all paper work with which a company officer should be familiar. Such a course requires careful instruction. Men

should not only be told about this work, but should be practiced in making reports and keeping records.

4. Semaphore Signaling.

5. Military Topography, including map reading and map making.

6. Military History of the United States. It is a popular impression that all our wars have been unqualified successes from a military point of view. The truth is quite the reverse. Low efficiency and a lack of a sound policy have distinguished all our military efforts.

7. Military Psychology and Social Control.

In conclusion I desire to express my appreciation of the freedom of action allowed in the management of the Williams Unit, and my thanks for the uniform courtesy and kindness extended to me and all instructors by the President and Faculty of the College, and the Citizens of Williamstown.

August 16, 1917.

From: LT. COL. GEO. D. MOORE, I. G.

To: THE COMMANDING GENERAL, NORTHEASTERN DEPARTMENT.

Subject: INSPECTION OF WILLIAMS UNIT, R. O. T. C.

I. Pursuant to verbal instructions of the Department Commander, I proceeded on August 13, 1917, to Williamstown, Mass., for the purpose of making an informal inspection of the Williams College Unit, R. O. T. C., returning to Boston August 15, 1917.

II. The ground covered in the inspection included Infantry Drill Regulations (practical) to include the battalion and the ceremonies of battalion inspection and parade; training in physical culture, bayonet fighting, bombing, trench making and occupancy, attack of and from trenches; discipline and general

aptitude of students, administration, etc. The daily program of instruction was broken into on the 15th inst. for the purposes of the inspection.

### PROGRAM OF INSTRUCTION

III. The program for each week-day includes six full hours of instruction between 8.00 A. M. and 4.45 P. M. with intervals of 15 minutes between periods and one and one-half hours at noon. There is an evening session between 7.30 and 9.30 (call to quarters) mainly devoted to theoretical work. Reveille, breakfast, inspection of quarters, parade and supper are outside these hours.

The instruction has been progressive, beginning about July 1st, with School of the Soldier, gradually extended to include the subjects mentioned in Par. 2 above, also target practice up to 300 yards, minor tactics, and other subjects indicated under the heading "Instructors." It is expected to terminate the course August 25th.

16. Capt. Bertram Smith, 25th Battalion, Canadian Expeditionary Force: Construction and Use of Grenades; Organization of Attacking Parties; lectures on Bombing, Gas and Liquid Fire.

#### PERSONNEL

V. The Corps, entirely composed of undergraduates and alumni of Williams College, is organized as an infantry battalion of four companies, the duties of the Tactical and Cadet Officers being similar, as are the disciplinary methods, to those at the U. S. Military Academy; and due to the high spirit of enthusiasm and the conception of duty that obtains, apparently to an unusual degree, the results are most satisfactory.

VI. Soldierly bearing, physical fitness, military courtesy, attention to the duty at hand, and quickness to grasp a new subject, are unusual.

VII. As to the numbers, the following figures were furnished by the Adjutant:

Present June 28th.....	260
Discharged:	
To study for examination for commission.....	6
Commissioned.....	2
To join aviation corps.....	1
Drafted.....	2
Enlisted (Regular Army).....	6
Applied for admission to second training camps.....	58
	—
Total.....	75
Re-admitted.....	4
Present August 14th.....	189

NOTE: Of those applying for the second training camps, six have been drafted, but presumably will be admitted to the camps if they pass the examination. A large percentage of applicants have been accepted—exact numbers not available, none having been yet rejected.

### RESULTS

VIII. Without going into further detail, observation of the work being carried on and of those engaged in the work, resulted in a conviction that this is a body of young men who should be utilized as soon as possible in the selection of junior officers. Great credit for the results obtained should be given to all the instructors, whose enthusiastic devotion to their work is above praise. The instruction was to have been in charge of Capt. Gimperling, 34th Infantry, who was ordered away before his work had fairly started; and the present course was organized and is being carried through by General Pew, whose executive ability, discrimination in selection of assistants, and tact, are the main factors in the success of this undertaking.

### RECOMMENDATIONS

IX. The only equipment so far furnished by the Government consists of Krag-Jorgensen rifles with bayonet and scabbard.

It is desired by the College authorities that military education should become a part of the course, but especially that future training camps should be carried on. It is recommended that substantial recognition in the way of equipment be extended as soon as practicable, including a supply of ammunition for target practice and field exercises.

X. It is thought that the opportunity should not be neglected to utilize the material available in the Williams R. O. T. C. in the way of commissions in the service. It is strongly recommended that those members of legal age, who are designated by the corps instructors upon the completion of the course, be commissioned as Reserve Officers without delay, subject to such examination as may be prescribed.

## ADVISORY COUNCIL

*Chairman*, FREDERICK GELLER, Class of 1883  
*Vice-Chairman*, JOHN M. KILLITS, Class of 1880  
*Secretary-Treasurer*, JAMES F. BACON, Class of 1898

After an interruption of a year the publication of the Catalogue of the Alumni is undertaken once more with this number. Owing to the constant changes no attempt has been made to give the service address of the men who are fighting for their country. In all cases the last known home address is given. For the same reason no military titles are given. These latter will all appear in the next General Alumni Catalogue which will be published within a year or so.

A small star has been placed at the left of the name of each man known to be in the service of the country in the Great War for Liberty and Justice. Without doubt names that should be starred will be omitted. The Secretary will consider it a great favor if such omissions are brought to his attention.

Grateful thanks are extended to all who have generously and kindly helped him with information concerning men in service and concerning new addresses, especially for the cordial and valuable assistance rendered by the Williams Club of New York City.

WILLIAM C. HART, *Secretary*,  
Society of Alumni of Williams College.

# CONSTITUTION

---

## I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

## II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

## III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the Saturday preceding Commencement Day.

## IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

## V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

## VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society.

## VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

## VIII. ADVISORY COUNCIL

1. There shall be an Advisory Council of the Society. Each Alumni Association and Williams Club in the United States now or hereafter organized shall be entitled to elect annually one member of said Council who shall hold office from the College Commencement succeeding his election until the next Commencement and until his successor is elected and accepts such election. Any member may resign by filing his resignation with the Secretary of the Association or Club that he represents. Any vacancy in the office of a member so elected may be filled in such manner as may be determined by the Association or Club represented by such member. The President, Vice-President, and Secretary of this Society shall be ex-officio members of said Council. The Council shall hold an annual meeting in Williamstown on the Friday preceding Commencement at an hour and place to be fixed by the Secretary of this Society, and shall, by one of its members, make a report to the Society at its annual meeting. Five members shall constitute a quorum of said Council. The Council shall choose from its members a chairman and such other officers as to it may seem wise who shall hold office for one year and until their successors are chosen and accept, but each officer shall cease to be such upon the termination of his membership in the Council. Officers shall be elected for the ensuing year by those who shall have been elected members for such year immediately after the Annual Meeting of the Council and at the place of such meeting. The Council shall hold such other meetings in such places as to it may seem proper to be called in such manner as it may prescribe in its rules. The Council may adopt such rules for the regulation of its business as to it may seem proper. Any member of the Council (except the ex-officio members) if unable to attend any meeting may appoint any graduate of the College his proxy at such meeting and such proxy shall act in the place of such member at such meeting with the same force and effect as if said absent member were present.

2. Said Council shall in its annual report suggest such recommendations as it thinks should be made to the proper college authorities regarding matters connected with the College; it shall perform through members appointed for that purpose, so far as it seems wise, the services heretofore rendered by Alumni Visitors; it shall act as an accredited medium of communication between the College authorities and the Alumni Associations or Williams Club in all cases where the co-operation of such Associations and Clubs with such authorities may be deemed advisable, and it shall convey to the proper college authorities any suggestions emanating from such Associations and Clubs which such Council may deem proper. The words "College authorities" as used in this article

shall mean the College Faculty or the College Board of Trustees as may be proper in any particular case.

3. Each Alumni Association and Williams Club shall immediately notify the Secretary of this Society of the members chosen from time to time to represent such Association or Club in said Council.

## IX. ALUMNI TRUSTEES

1. The Society shall elect, from the alumni of the College, five members of the Board of Trustees of the College to be known as Alumni Trustees. These Trustees shall be elected for a term of five years each, their terms expiring in successive years, and the term of one Trustee expiring in each year. In case of a vacancy in the office of any Alumni Trustee before the expiration of his term, if such term would not otherwise have expired at the succeeding College Commencement, such vacancy shall be filled for the unexpired term at the meeting of the Society held immediately prior to such Commencement.

2. Alumni Trustees shall be chosen upon printed ballots. Said ballots shall be prepared by the Secretary of the Alumni Society, who shall place thereon the names of the five alumni who shall have been nominated as candidates by the highest number of votes of members of the Society, and in case two or more persons shall receive the same number of votes, which number, if received by only one, would have entitled him to a position on the official ballot, the names of all those receiving said number of votes shall be placed upon the official ballot; provided, however, that no person whose term of office as Alumni Trustee expires at the next Commencement, nor any person whose name shall have appeared on the official ballot as a candidate for three successive years immediately preceding, shall be eligible for nomination, and the name of any such person shall not be considered among those entitled to nomination, said ineligibility to be for one year only.

3. The Secretary shall, at least two months prior to the Alumni Meeting, mail to each member of the Society at his last known address a notice of the coming election of Alumni Trustees, containing the name, class, residence, vocation and fact (if so) of previous service on the Board of each candidate; also a statement of the names of the members of the Board of Trustees of the College as then constituted, with a statement, in the case of the Alumni Trustees, as to the dates of the expiration of their respective terms of office, and an official ballot containing the names of the nominees who have received the necessary votes, together with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record, and hold subject to the order of the Society. He shall not communicate the

state of the ballot to any one before its final announcement by him at the Alumni Meeting. It shall be his duty, however, to refer to the Executive Committee of the Society all matters respecting any doubtful validity of votes. If any person or persons so reported by the Secretary as nominated shall die or withdraw his name or their names before the official ballot is sent out, the Secretary shall place upon said ballot, in the place of the one or more so dead or withdrawn, the name or names of the person or persons who were nominated as a candidate or candidates by the votes of the next highest number of members, subject to like provisions as above in case of ties, previous nominations, deaths or withdrawals.

4. Each member of the Society shall be permitted to vote for one candidate only for the position of Alumni Trustee. The candidate receiving the highest number of votes shall be declared chosen to the office of Trustee, and, if there be more than one vacancy, for the longest term. If there be more than one vacancy, the candidate receiving the second largest number of votes shall be elected Trustee for the next longest term, and if there be other vacancies, each vacancy shall be filled, in turn, by the member receiving the highest number of votes who shall not already have been declared elected a Trustee to fill some other vacancy.
